TO : [] []
FROM : [] []
SUBJECT: Request for Authorization to Visit the [] [] and [] [] Stations.
REF :

1. I wish to request authorization for myself or []
[] to make one-day visits to the [] [] and [] [] Stations.

2. On the basis of present plans, we can anticipate that we will be compelled to rely on [] [] and [] [] for certain limited operational services. These will primarily involve the mailing from [] [] and [] [], as well as certain other points in France, of EDUCATOR material addressed to satellite areas. For example, in the near future the second edition of the JIMJAM Project will be ready for mailing and we plan to mail a number of copies from Paris. In addition to such mailing arrangements, we will require certain other limited services from these two stations, such as the regular procurement of various publications in which we are interested.

3. I am confident that an occasional request for this type of assistance will not be burdensome to either office but I feel that these arrangements can best be made by a personal contact with the mission chiefs.

4. If this request meets with your approval, the [] [] visit will be on 4 April and the [] [] visit on 11 April.
